**Beginners/Intermediate:**

Our primary focus for this group will be to introduce the kids to the sport, build a solid foundation of understanding the basic moves and to have some fun in doing so along the way. Wrestlers in this group are in their first three years of wrestling, understand the basic concepts of wrestling and are ready to take part in some more competition, but not necessarily at the state or regional levels. This group will focus on technique and basic drills with a repetition style.

Wrestling shoes and/or singlet are not required; however, clean gym shoes with shorts and shirts with no zippers, buckles, buttons or straps will be required for a wrestler to practice.

**Intermediate/Advanced:**

This group is for wrestlers who either have been involved in state and regional competition or are ready to do so. Wrestlers who wish to continue on to the AAU District and State Tournaments will transfer to the Advanced group for the remainder of the season. The Advanced group is only for the very serious and committed wrestler. These practices are high-intensity, fast-paced and difficult. Wrestlers in the Advanced group must be authorized by a club coach to be involved.

**Practice Schedule:**

<u>Day</u>	<u>Times</u>	<u>Skill Group</u>	<u>Practice Location</u>
Monday:	6:30–8:30 PM	Advanced	High School Practice Room
Tuesday:	6:30-7:30 PM	Beginners	Prairie Point Practice Room
	6:30-8:30 PM	Intermediate and Advanced	High School Practice Room
Thursday:	6:30-7:30 PM	Beginners	Prairie Point Practice Room
	6:30-8:30 PM	Intermediate and Advanced	High School Practice Room

There will not be practices in the Beginner room at Prairie Point on Thursday 11/14/13, Tuesday 11/19/13 or Thursday 11/21/13. If there is a scheduled no school day or if school lets out early or cancels because of bad weather there will not be practices. Other practice changes will be communicated by email or on our Facebook page

Prairie Point activity directors request that the elevator not be used unless there is a handicap; and the siblings of the wrestlers be with their parent’s/family members at all times or not in the building as there have been problems with children running through the halls and using the elevator in the past. Let’s respect their request so we can continue to practice in their building. Thanks
