

The Prairie Music Association (PMA) is a non-profit organization of supporters that are dedicated to helping the music educators at Prairie make music education a wonderful experience. We provide both financial and volunteer support at every level, kindergarten through 12th grade.

PMA conducts various fund raisers during the year and all money raised goes to the music programs at Prairie. Some of the yearly purchases include instruments, clinic and clinician fees, props for shows, uniforms, and more. If it has to do with music, chances are that PMA has contributed!

Assisting financially is not the only way PMA helps with the music programs at Prairie. We spend hundreds of hours volunteering our time and resources to help at all music concerts and events. Prairie is very fortunate; we are a part of a district that is very supportive of the arts. PMA is very proud to work in collaboration with the district to enhance its music education.

We are reaching out to all of our district music families to ask you to consider joining us by becoming a Patron with PMA. To become a patron all you have to do is make a contribution of any dollar amount and with that dollar amount we will mail you a "Prairie Music" car window sticker to show off your Prairie Pride! At each concert, we publish a list of our Patrons in the program. We publish this list alphabetically, and without listing contribution amounts.

Please join us as we all work together to reach our goal of enhancing the music programs!

Thank you for your consideration,
Jennifer Rigdon
Patron Coordinator

Yes! I want to become a PMA Patron
for the 2013/2014 school year.

Name: _____
*please print as you would like your
name to appear in programs.

Address: _____

Tax deductible donation amount
(checks made payable to PMA): _____
Employer matching funds: _____

Please mail donation and this form to:
Theresa Blong, PMA Treasurer
