

Join the Prairie HAWKS USSSA Baseball Club!!!!

All College Community, 2013-2014 2nd grade boys are eligible to sign up for the Prairie HAWKS USSSA Baseball Club. Deadline for registrations is November 29, 2013

What is Prairie HAWKS USSSA Baseball? It's a volunteer based, competitive youth baseball club for College Community School District students. Teams will play a variety of teams from area towns and schools.

How does it work? All 2013-2014 2nd grade boys (8U) will be assigned to teams that will then play in a summer league and possibly weekend tournaments.

What's the commitment? Indoor workouts start the first week in January and each team is assigned practice time on Saturday for their team workouts. Teams may also practice one night per week in the winter months indoors depending on availability. Outdoor practices start as soon as weather permits with games usually starting late April to early May with two or more practices each week. Players at the 2nd grade (8U) level will play up to 16 games and a couple weekend tournaments. The season concludes the last week in June or first week in July.

What are the fees to participate? Player fees are posted on the website. The fees are used to provide each player's uniform, catcher's equipment, helmets, umpires, field maintenance, insurance, and baseballs for the team. The fees are for USSSA league games, and do not account for tournaments.

This is not a College Community School District publication. It is being distributed through the school district as a community service of the district to inform you of other community activities or services available.
