By contracting for online information services for all accredited schools, Iowa AEA Online provides equity of information access for students and educators in Iowa.

AEAs work as educational partners with local public and accredited private schools to help assure that all children reach their potential. For more information, visit [www.iowaaea.org](http://www.iowaaea.org).

These databases are licensed for Iowa preK-12 students and teachers only. Sharing the user IDs and/or passwords with unauthorized users may result in the district, school or AEA losing access privileges. All Iowa AEAs are required to adhere to state and federal laws that prohibit discrimination in programs, activities and employment practices. For specific information, contact your AEA.
