BRIDGING
THE G.A.P.

GUIDE • ADVOCATE • PROVIDE

Of the 900 youth in foster care in the Cedar Rapids area, roughly 40% are teens. Annually, at least 25 of these teens mature out of the foster care system. They often lack the support and resources that young adults need to live independently. In response, JLCR launched Bridging the G.A.P. (Guide, Advocate, Provide.) in June 2011. JLCR's efforts have resulted in bi-monthly meetings with foster youth, education about the foster care system, advocacy efforts for those in the system, and the donation of an "apartment in a suitcase" to help teens enter independent living.
