COE COLLEGE BOYS BASKETBALL

2014 SUMMER CAMPS

Fundamental Skills Camp June 23-26th (grades K-9)

Fundamental Skills camp is designed to improve and master the vital skills necessary for success in the game of basketball. Each day there will be an emphasis on a fundamental component of the game. Campers can expect to practice shooting, passing & catching, ball handling, rebounding, and defense. All drills are introduced and taught based upon ability and age level. The basic concepts of 5 on 5 and game strategy will also be covered. Each camper a t-shirt and awards will be given to contest winners. Sessions are broken up by age groups (k-2nd, 3-5th and 6-9th).

Summer Competition Camp July 14-16th (grades 2-9)

The competition camp is arguably one of the most entertaining camps at Coe College. This camp is designed to offer various competitions to improve the overall skill and speed of play of each camper. Awards are given for each competition, and campers are divided based upon age and skill level. Campers will spend time on skill development sessions before each competition. Contests include: buzzer beater, Lightning, free throws, 2 on 2, 3 on 3, speed lay-ups, "21", and many more. Team offensive and defensive will be taught and each camper will play 5 on 5 league games each day. You will love this camp!

Shooting Camp June 27th and July 17th (grades 2-9)

Our one day Shooting Camp is focused on the fundamental development and mastery of shooting technique, form, and proper repetition. Campers will also learn the fundamental differences of shooting off the dribble and off the catch. In this one day camp, each participant can expect to take approximately 500 game speed shots. In addition, each camper will compete in over 15 different shooting drills that can be taken with them to practice when camp is completed. Each camper will receive a shooting skills packet and a t-shirt.
