About the Prairie School Foundation

Since 1981 the Prairie School Foundation has served as a not-for-profit organization dedicated to supporting the College Community School District by raising funds to help bridge the gap between state funding and our district's needs.

Our mission

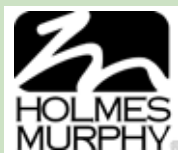

Working Together for a Better Tomorrow.

We strive to support our students and teachers to help meet their needs for today and to better prepare for the educational and financial challenges of tomorrow.

Thank you

We cannot do it without your help. Thank you to the many families, alumni, teachers, area businesses, and to the community itself for such generous support of our fine schools.
