

October is going to be big! The grand finale of ShopWithScrip's 20th anniversary celebration is coming up fast and they saved the most exciting promotion for last! For the first twenty days of October, every day a different retailer will offer a **20% rebate for 20 minutes only**.

The bonus rebate will only be available from **12:00pm - 12:20 p.m. CST**. They will send out an email announcing each day's special retailer earlier that morning so be sure you are [enrolled in their mailing list](#) to get all the discount details. Make sure you check in everyday so you don't miss one of your favorite stores! They will post updates on the [ShopWithScrip Facebook page](#) too so follow them there so you can see updates right in your newsfeed.

In order to offer this very special promotion they will limit the amount of scrip that can be purchased at the special 20% rebate to \$1,000 per ShopWithScrip family. The limit will apply each day to the retailer offering the special bonus. Orders paid for with PrestoPay will process automatically. Orders placed during the 20-minute promotion and paid for by check will still receive the bonus rebates.

What a great way to earn money for your school!

If you already have a scrip account, be sure to watch their [Facebook page](#) and/or [enroll in their mailing list](#) to get all the discount details.

If you are new to scrip and want to learn more, check out the Prairie Parent letter [here](#).

Orders placed before October 15 will be delivered on October 22. Orders placed between October 15 and noon October 29 will be delivered November 5 (see [Parent Letter](#) for details). Happy Scripping!
