

Girls go STEM!

UNIVERSITY OF IOWA **MINI MEDICAL SCHOOL**

It's a **GIRL** thing!

Girls in 6-8th grade will work alongside current UI medical and biosciences students, doctors, and health care providers to explore science, technology, engineering, and math through:

- Simulated surgical stations.
- Pediatric traumas.
- Medical research.
- Patient exam skills.

PARENTS

Observe your girls as they engage in interactive hands-on STEM learning and have the opportunity to join other parents in optional parent-only programming!
