

# THEATRE CEDAR RAPIDS

## Winter Classes Now Available!

TCR's Just Right for ME! youth theatre class is specially geared toward students on the autism spectrum. Each class is designed to provide a safe environment for creative expression, facilitate social connections, offer students models for developing and practicing social skills through theatre and story dramatization, and most importantly teaching how the magic of theatre is FUN. This class culminates in a classroom showcase of works generated throughout the course of the class. Our stories will be shared during the final class meeting.

*As an added bonus, an informal Just Right for ME! parent discussion group will commence during the two class times in the Linge Lounge. Coffee will be served.*
