YMCA Camp Wapsie

Registration begins on February 2nd

DEAR PARENTS AND CAMPERS,

As you are making your summer plans, thank you for considering YMCA Camp Wapsie. We strive to put on the best programs we can. Our staff, many of whom grew up at Wapsie attending our leadership program, are eager to pass on the meaningful camp programs that they enjoyed as campers.

Campers who attend YMCA Camp Wapsie not only have fun with the array of outdoor activities we offer, they get to meet others and develop friendships with campers from all over. They learn to develop relationships and group living skills while experiencing all the unique activities Wapsie has to offer: living, learning, and playing in the outdoor camp environment.

The cover of our brochure says "Building Friendships, Skills and Lifelong Memories." Camp is more than fun, it develops who we are. We hope that your family can join us to be a part of these meaningful programs. Let us help you have a great summer!

Preparing for a Positive Camp Experience

REGISTER YOUR CAMPER!

Online registration available.

Registration begins February 2, 2015.

Y Member registration begins January 26, 2015.

Visit www.campwapsie.org and click on "Register for Programs," or complete and mail the registration form with a \$75 non-refundable deposit per session/per child or pay the entire fee at the time of registration. Incomplete forms will be returned, jeopardizing camper placement. Programs are subject to minimum and maximum enrollment and are filled on a first-come basis. If all session choices you requested are full, we will notify you. All money and candy sale credits are applied to program fees first, then to Camp Store accounts. All Camp fees must be paid in full 4 weeks prior to camper's arrival. Once your registration is processed, you will receive a confirmation email.

Parent Packets

Parents/guardians are required to complete paperwork, aka the "Parent Packet," consisting of a Health History, Camper's Confidential Questionnaire, and Release Form. Please return forms to camp at least 4 weeks prior to the camper's arrival. Parent Packets and all camp forms are available at www.campwapsie.org or by contacting the Camp Office.

Cabin Mate Requests

Camp Wapsie is a great place to meet and make new friends. You can request **one cabinmate** on your registration form or online. The cabinmate request should be of the same grade and age and they should also request you. We try to accommodate cabin requests, but we can make no guarantees.

Cancellations and Refunds

Cancellations and changes must be made in writing or by email. Cancellations at any time prior to the session will forfeit the deposit. Cancellations less than 10 days before the camp start date will forfeit half of the camp fees. No-shows will be charged the full fee. There is no refund for behavior-related problems. Campers who cancel or leave camp on the advice of medical personnel will receive a prorated refund. A physician's note is required.

Making Camp Affordable for Everyone

Tier Pricing

Camp Wapsie has three pricing levels to better accommodate differing incomes. Please select the highest tier you can afford, to allow YMCA Camp Wapsie to continue to improve the quality of each camper's experience.

Our tiered pricing system in no way influences your child's experience! We feel it is important to share the true cost of running YMCA Camp Wapsie. This gives families the opportunity to decide how much they can contribute toward their child's experience.

Tier A most accurately reflects the true and actual cost of YMCA Camp Wapsie.

Tier B is a partially subsidized rate, but more closely reflects the actual cost of camp.

Tier C is Camp's most subsidized rate, which does not represent the true cost of camp. This rate is subsidized by the work of volunteers, fundraising, and sustaining contributions.

Financial Assistance

YMCA Camp Wapsie and the YMCA of the Cedar Rapids Metro Area are committed to providing quality programs to everyone, regardless of their ability to pay. We believe that all kids deserve the opportunity to discover who they are and what they can achieve. The Y is for Youth Development.

Financial Assistance is subsidized by the YMCA Annual Support Campaign. Families can contribute to the campaign or get an application to request assistance by visiting www.campwapsie.org or calling 319.435.2577.

"Earn your way to Camp" Candy Sale

Camp Wapsie's Candy Sale is February 7-28th. This opportunity allows campers to learn lifelong skills while earning 90 cents for each \$2 candy item sold. Changing Lives Through Resident Camp Programs

With each overnight experience, campers grow through structured activities that foster growth and creativity. Campers learn decision-making, creativity, and technical skills as they choose programs that appeal to them. Wapsie's 1:6 counselor-to-camper ratio provides a college-aged senior counselor and a junior counselor for each group of twelve similar-aged campers. These counselors provide supervision and are role models that campers interact and learn with. Group living develops community and social skills while creating life-long friendships.
