

**College Community School
District's Summer L.E.A.P:
Learning, Enriching, &
Achieving Program**

Welcome to the College Community School District's Summer Learning, Enriching, Achieving Program (LEAP)!

This summer program will run Monday through Friday beginning June 8, 2015 and concluding on June 26, 2015. The program has been designed for students completing their second grade year through sixth grade. Each class has its own unique scheduled time; please refer to the brochure for the specific class times. All LEAP classes will conclude by 11:30 AM. LEAP will be located at Prairie Creek Intermediate.

We are pleased to offer a variety of quality academic and enrichment classes exposing our students to 21st century learning skills. Our teaching staff will use best practices in teaching to engage students. They'll bring their passion and enthusiasm so every child's experience will be rewarding.

Thank you for your interest in CCSD's Summer Learning, Enriching, Achieving Program (LEAP)! We look forward to working with your child.

Ann Smith

R1: Become Your Own Author

M, T, W, Th, F: June 8-26

8:30-10:25

Grade Range: 2nd-5th graders

Cost: Early Bird Special: Prior to April 17th:
\$240.00

After April 20th: \$300.00

In this course we will explore many different authors of children's books. We will review the differences between fiction and non-fiction, along with genres while focusing on retelling skills using different strategies. At the end of each class the children will have time to work on creating a children's book of their own to share with family and friends.

Tech1: Coding: Games or Science experiment?

M, T, W, Th, F: June 8-19

9:30-10:25 AM or 10:30-11:25 AM

Grade Range: Current 3rd-5th graders

Cost: Early Bird Special: Prior to April 17th:
\$80.00

After April 20th: \$100.00

Enjoy learning to code while making your own video game. This course includes students new to coding and those that already love it. We will use several websites to create a project that can then be shared.

Sci2: Experimenting with Science

M, T, W, Th, F: June 8-26

10:30-11:25 AM

Grade Range: Current 2nd-3rd graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Materials Fee: \$2.00 per student

In this course we will do many different experiments. We will make a hypothesis and observe what happens as we do the experiments. We will record our findings and discuss what we have learned.

Hist1: Exploration of US History

M, T, W, Th, F: June 8-26

8:30-9:25

Grade Range: 5th – 6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

This class will take an in-depth look at some significant themes in U.S. History. Some of the themes that will be covered are immigration, industrialization, civil rights, and conflict. Through group projects, independent research, and student-led instruction, students will gain a better understanding of how the country developed into the United States we live in today.

Sci3: Fun Physics

M, T, W, Th, F: June 8-26

Class will be offered at 3 different times:

8:30-9:25; 9:30-10:25; 10:30-11:25

Grade Range: 2nd – 3rd graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Materials Fee: \$5.00 per student

Do you ever wonder how things stay afloat? Are you curious how bridges are constructed? In this class we will explore buoyancy, structure, and aerodynamics! Get ready for some fun and engaging experiments. This class will definitely float your boat!

Tech2: Google CS First Club - Music and Sound

M, T, W, Th, F: June 8-12, 2015

8:30 AM-11:25 AM

Grade Range: Current 4th-6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Music and Sound with Scratch. Make. Code. Music. Create your own digital music and sounds! Use the computer to design your own music, create your own instruments and music videos, and learn how technology is used in the music industry!

Tech3: Google CS First Club – Storytelling

M, T, W, Th, F: June 15-19, 2015

8:30 AM-11:25 AM

Grade Range: Current 4th-6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Storytelling with Scratch. Create. Code. Tell Stories. Create and share your own digital stories! Use the computer to design your own stories, create and share your own animations, and learn how technology is used in the film and media industry!

Tech4: Google CS First Club – Gaming

M, T, W, Th, F: June 22-29, 2015

8:30 AM-11:25 AM

Grade Range: Current 4th-6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Storytelling with Scratch. Create. Code. Tell Stories. Create and share your own digital stories! Use the computer to design your own stories, create and share your own animations, and learn how technology is used in the film and media industry!

Art1: Let's Learn about Famous Artists!

M, T, W, Th, F: June 8-26

8:30-9:25

Grade Range: 2nd-4th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Materials Fee: \$5.00 per student

In this course we will use lots of different materials. We will learn about a variety of different artists and different time periods. This course will use art history to spark your creative interest and apply it to the visual arts. We will create 2D and 3D work.

Art2: Let's Learn about Famous Artists ~ Part I!

M, T, W, Th, F: June 8-26

9:30-10:25

Grade Range: 4th-6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Materials Fee: \$5.00 per student

In this course we will use lots of different materials. We will learn about a variety of different artists and different time periods. This course will use art history to spark your creative interest and apply it to the visual arts. We will create 2D and 3D work.

Art3: Let's Learn about Famous Artists~Part II!

M, T, W, Th, F: June 8-26

10:30-11:25

Grade Range: 4th-6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Materials Fee: \$5.00 per student

Students must take "Let's Learn about Famous Artists ~ Part I" in order to take "Let's Learn about Famous Artists~ Part II". This is an extension time for students to expand their learning and creativity. The students will create additional 2D and 3D visual arts projects.

Ma1: Math Review and Reading Encouragement

M, T, W, Th, F: June 8-26

Class will be offered at 3 different times:

8:30-9:25; 9:30-10:25; 10:30-11:25

Grade Range: Current 5th – 6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Strengthen math skills in a small group. Gain confidence in your skills while learning the tips and tricks of math. Multiplication, division, fractions, and decimals will be covered during whole group instruction.

15 minutes of class will be dedicated to discussing books and encouraging daily independent reading at home.

Mu1: Movin' to Music

M, T, W, Th, F: June 8-26

8:30-9:25

Grade Range: 2nd-4th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

How many ways can you move to music? In this class we will try as many as we can! American folk dances, song games, and creative movement are just a few of the ways we will keep movin' this summer. Both boys and girls are welcome. Come join the fun!

Mu2: Musical Mallets - 2nd grade

M, T, W, Th, F: June 8-26

9:30-10:25

Grade Range: Current 2nd graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Is there ever enough time to play the mallet instruments in music class? Then this class is for you! Have fun this summer playing the xylophone, metallophone, and glockenspiels in "Musical Mallets". You will gain experience playing the pitched percussion as we accompany a variety of songs, rhymes, and games. You will also get to play drums, maracas, and other fun non-pitched percussion. Come join the fun!

Mu3: Musical Mallets - 3rd-4th grade

M, T, W, Th, F: June 8-26

10:30-11:25

Grade Range: 3rd-4th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Hist2: Puppet Fairytale Production

M, T, W, Th, F: June 8-12

8:30-11:25

Grade Range: Current 3rd-6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Materials Fee: \$5.00 per student

Students will learn all about the history of puppets and make their own! They will collaboratively write a fairy tale with a twist and create a puppet show or dramatic presentation to share with the whole class. Students will use their own script as well as handmade puppet in their presentations. This course will creatively explore everything puppets while students grow in their writing and creative communication skills.

Ma2: Razzle-Dazzle Math on Computers

M, T, W, Th, F: June 8-19

8:30-9:25 AM

Grade Range: Current 3rd-5th graders

Cost: Early Bird Special: Prior to April 17th:
\$80.00

After April 20th: \$100.00

Students will work with a highly entertaining math program called Raz-kids. Weekly they will learn other math websites and math games they can play at school and at home.

R2: Reading Rocks!

M, T, W, Th, F: June 8-26

9:30-10:25

Grade Range: Current 2nd-3rd graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Materials Fee: \$2.00 per student

In this course you will choose a book and read it during the times you are in class. When you finish the book, you will have a list of choices for a book report that you can create to share with others what your book was about. The book choices will be books that have been popular over time.

R3: Reading Rocks!

M, T, W, Th, F: June 8-26

8:30-9:25

Grade Range: Current 4th-5th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Materials Fee: \$2.00 per student

R4: Reading to Learn

M, T, W, Th, F: June 8-26

9:30-10:25

Grade Range: 5th – 6th graders

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Have you ever read something and asked yourself "What did I just read?" Well, this class is designed to help students accurately answer that question after reading. Students will be taught a variety of reading comprehension strategies that they will be able to apply to any type of text they may encounter.

R5: Summer Super Sloths

M, T, W, Th, F: June 8-26

10:30-11:25

Grade Range: 4th – 6th graders

Recommended Reading Level 4.6 or higher

Cost: Early Bird Special: Prior to April 17th:
\$120.00

After April 20th: \$150.00

Do you like solving problems? Do you enjoy a good mystery? If so, Summer Super-Sluths is for you! Students will read and solve Encyclopedia Brown cases, create their own cases, and solve daily challenging mysteries.

College Community School District's Summer Learning Enriching Achieving Program Registration

Registration: Please complete the form below and submit full payment to register. Cash or check and completed form must be submitted to Kathy Waychoff at the business office. Checks can be made to College Community Schools. Personal checks and completed form can be dropped off at the business office to Kathy Waychoff or mailed to CCSD Summer LEAP; 401 76th Ave. SW; Cedar Rapids, IA 52404. Classes will fill up fast, so please register early. Once a class is full, it will be closed.

Early Bird Registration: April 1-April 17, 2015 **On-time Registration:** April 20-May 1, 2015
Registration ends on May 1, 2015. Sorry, no exceptions!

Age Policy: Classes are designed as specified in the course descriptions. We have course offerings for students who currently are 2nd graders through 6th graders. Sorry, no younger or older students will be admitted.

Supervision Policy: For the safety of our students, a parent or guardian must accompany all students when not under the direct supervision of our camp instructors. Students should be brought to their classes no earlier than 5 minutes before start time and picked up no later than 5 minutes after end time. It is parents' responsibility to provide transportation to and from Summer LEAP. If students are attending ECC, then ECC providers will be bringing and picking up the students for their classes.

Registration Form: Please print clearly completing one form per student.
