Kids in 4th—
6th Grade!**

Metro Youth Football Registration

Metro Youth Football was founded in 1971 by the Cedar Rapids Jaycees. Our purpose is to provide children an opportunity to learn values and positive habits that are important to their future. Organizers wanted to provide a full tackle football program where players would have proper pads and equipment, and would be coached by individuals who would instill the values of sportsmanship and participation regardless of the final score. The success of the MYFA tackle program lead to the creation of the Metro Youth Flag Football program in the spring of 1999.

The Metro Youth Football programs are instructional and recreational in nature. All programs are run exclusively through the efforts of our volunteers. MYFA receives no tax dollars. Equipment and facilities are maintained through the hard work of our volunteers, generous contributions from individuals and organizations, player fees and independent fundraising activities.

EQUIPMENT:

Safety is the **first** priority of Metro Youth Football. All participants are given one mouth piece, and **LOANED** necessary protective gear that includes: Helmet, pads, game jersey and pants. Players must provide undergarments, practice shirt, and shoes.
