2015 Theme: About Main Street *Instructors: Bob Campagna and Fran Judd*

Connect is a summer program for middle and high school students coordinated by Grant Wood AEA. Now in its second summer, this program is intended to connect youth to the community around them through a hands-on, experiential learning approach.

This year's theme, About Main Street, will provide an outlet for student artists to express their connection to the community through the mediums of black & white film photography, digital photography, and individual process journals designed to record each student's experience in the class.

Students will explore the Main Street District of the Czech Village and New Bohemia, inspiring a creation of professional gallery exhibit to be displayed at the Artisan's Sanctuary. Included in the exhibit will be individual process journals.

Exhibit opening is scheduled for Tuesday, July 7th, 5:00-7:00 p.m.

Exhibit to be available to the public June 29—July 16.
