

Volunteer at The Fair

We're looking for volunteers to help students. No experience necessary!

From **May 9-13 and May 16-20**, 8th graders will participate in the **Linn County Financial Literacy Fair** at **Kirkwood Linn County Regional Center in Hiawatha** during the mornings. In class, students learn about life decisions that affect financial well-being. Based on their interests, they select a career, and determine gross and net salaries. Then they attend the Fair to face the reality of monthly bills for necessities (housing, transportation, food, etc.) and extra expenses. When they have made their financial decisions, they'll meet one-on-one with a financial counselor to do the math and discuss their choices! A quick 30 minute volunteer training is provided before students arrive.

**You'll be amazed at how quickly students learn about financial challenges in life.
Come see how we're working together to prepare young people for the future!**
