Please mark your calendars for June 8th for Rob Miller and Proactive Coaching Seminar. We are encouraging all parents and students to attend—our goal is for all of us to hear and act on the same message so we can win on the field and off.

You will be energized to help build our Championship Community at Prairie Point and Prairie High School.

You will walk away with ideas about the Championship Community and what you can do as a student-athlete or as a parent!

This is a free opportunity for you to hear from a nationally renowned speaker, Rob Miller, who is coming to us from the group, Proactive Coaching.

From the Proactive Coaching web page:

Proactive Coaching... Our "Why": Because the character lessons intentionally taught will be the coach's best legacy and one athlete of character improves your team - One team of character changes your school - One school of character impacts your community – A coach of significance can impact generations. It all begins and ends with strong families.

Our Mission: To provide materials and presentations ---Build intentional, character-based leaders and cultures --- Develop fearless, team-first competitors --- Train coaches of significance
