

REMINDER!!!

Attention Youth Baseball Players!

**Prairie Hawks USSSA will conduct baseball evaluations
on July 17th for the 2016-2017 baseball season.**

What is Prairie HAWKS USSSA Baseball? It's a volunteer based, competitive youth baseball club for College Community School District students. Teams will play 20+ games against a variety of teams from area towns and schools and travel for tournaments.

Who should attend the evaluations? Players going into 9U to 14U must attend evaluations. This allows the program to assess all players in order to build a competitive team. All 7U and 8U players will receive information in August and need not attend evaluations.

What happens at evaluations? Players participate in stations and are evaluated for skills in fielding, catching the ball, throwing, running, pitching and hitting. Performance at the evaluation session combined with coach evaluation from the prior season determines player placement on teams. We will do our best to place all players on a team. No uniforms please, we ask all players to wear a white or light colored shirt. You will tryout for the age you will be playing next season.

Evaluations will take place on fields 1-6. More information is on our website:
<http://www.prairiehawksbaseballclub.com/>

****9u, 11u, & 13U 1:00-2:30****

****10u, 12u, & 14u 3:00-4:30****
