Prairie Girls Basketball Coaches, Players, & Guest Speakers.

Coach Bentley's Notes: We invite you to join us this year at our changed camp experience with the opportunity to play, have fun, and learn the game of basketball. We will be focusing on foundational basketball skills, with a focus on shooting, offensive skills, basic defensive principles. These will be presented in a variety of ways, including lecture, demonstration, and hands on experience. Again, we ask that you join us if you have the opportunity. We look forward to seeing you!

Goal of Camp:

Our goal for our camp is that first; you have a great experience and learn basketball at the same time. Second, we want to start developing a relationship with our players, parents, and community. We want our program to be one that moves forward together with the all pieces of our program in mind when making decisions.
