

TEEN DRIVING STUDY AT THE UNIVERSITY OF IOWA

- ❖ Will your teen be getting a school permit or an intermediate driver's license this year?
- ❖ Would they like to drive in a driving simulator?

The National Advanced Driving Simulator is inviting teens ages 15 or 16 to participate in a study evaluating whether training programs can help teens become safer drivers.

To be eligible, teens must...

- Currently have a learner's permit
- Be planning to get
 - A school permit at age 15 or older, or
 - An intermediate license before age 17
- Be able to attend three study visits

Participants will be paid up to \$225 for their time and effort.

If your family would like to learn more, we encourage you to contact us now. Study appointments are limited but will occur well into 2019.
