Courage League Sports is a non-profit adaptive sports and recreation organization offering year-round opportunities for children and adults who are not able to go full speed due to a physical, cognitive or emotional disability. By adapting the pace, equipment or nature of an activity, Courage League Sports can provide a safe and accessible environment where participants can go at their own speed. EveryBODY deserves to PLAY!

Courage League Sports is excited to bring adapted play to eastern Iowa! Register your 5-15 year old special needs child online and join us for an upcoming session. More information is available at [www.CourageLeagueSports.com](http://www.CourageLeagueSports.com).
