

# Prairie Wrestling Alumni Night 2020

## Legends & Legacy

Thursday, January 16th

Recognition of the 1964-1965 13-0 Prairie Hawks

The 1964-1965 Prairie Hawks were a special group that set a new standard of excellence for Prairie Wrestling. This team exceeded preseason expectations of Head Coach Bob Mellgren who was quoted in the Cedar Rapids Gazette stating that “his team will still be building this season.” That seemed like a reasonable expectation as the Hawks were 8-7 the previous season, had just four seniors, and were relying on many younger wrestlers. The perfect dual record of 13-0 they earned was evidence of Mellgren’s “building”, a team of hard working young men, and the establishment of a solid foundation upon which more success was soon to follow.

All wrestlers (varsity, junior varsity, and reserve), wrestlettes, cheerleaders, support staff, coaches, and families from this great Prairie Hawk team are invited to attend the alumni meet on Thursday, January 16th. Alumni of the 1964-1965 team, families, and guests are encouraged to arrive at 6:00 PM for food and fellowship. A room across from the south gym will be reserved for this group for the entire night. Family members of those that have passed away are encouraged to attend to represent their loved one and celebrate this accomplishment.

Please RSVP by contacting AD Admin. Asst. Lori Pleiness 848-5350 (ext. 2128) or [lpleiness@crprairie.org](mailto:lpleiness@crprairie.org)

### 1964-65 Team

Head Coach Bob Mellgren\*
