

Now's a great time to discover STEM
(science, technology, engineering, and math)

KIDS GO STEM

SATURDAY, MARCH 7, 2020

9:00 a.m. to 12:00 p.m.

University of Iowa Health Care campus
Medical Education and Research Facility
375 Newton Road
Iowa City, Iowa 52242

Students in grades 6 through 8:

Join medical and health sciences students and professionals for fun, hands-on medical simulations and science experiences, and learn how you can make a difference in STEM careers.

Adults:

Join University of Iowa experts and discuss current adolescent health topics and academic preparation for your student.

This program is open to everyone. The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The University also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information contact the Office of Equal Opportunity and Diversity, 319-335-0705.

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person who requires a reasonable accommodation in order to participate in this program, please contact UI Health Care Marketing and Communications, Outreach and Engagement in advance at 319-335-8886 or email community-education@uiowa.edu.

REGISTER:
